

The College seeks to offer the Trinity experience to the most deserving students, regardless of their financial means, and to welcome students of diverse backgrounds from across Australia and around the world. The generosity of many donors makes it possible for the College to offer a significant number of scholarships each year.

To apply for financial assistance towards Residential College fees, complete the form below. Please enclose any material relevant to your application; if you are applying on the basis of financial need, you must provide up-to-date details of family income and expenditure where asked.

Unless you have demonstrated you are independent, which requires evidence from the relevant government departments, copies of the most recent taxation assessments (Notice of Assessment) for parents or guardians must be submitted and the College may request to see other supporting evidence such as welfare claims and bank statements.

When applying for a Trinity College scholarship, applicants do not apply for a particular scholarship; if successful, candidates will be assigned accordingly based on their suitability.

All information contained in your scholarship application will remain strictly confidential. All forms must be digitally completed.

Scholarship applications are due for all students (new and returning) before **15 October** every year.
